Customer Reviews

Wonderful book for a stenciler who would like to learn all the different ways to stencil as well as stamping. Well written with lots of clear pictures and instructions. Highly recommended to the beginner as well as those who are tired of dry brush stenciling. All the techniques give wonderful results. I have tried every single technique in the book with great success the first time around.

Anne Sloan has surely done well with this book. Definitely a "practical guide". I have loads of these kind of books, but this is the first one to show so many ideas in easy to understand directions. Great techniques not seen in other books. And great suggestions for tools.

Annie Sloan Decorative Stenciling & Stamping is a nicely illustrated. The information is useful for intermediate to advanced artist. I would not recommend it for people with limited stenciling experienced.

This 1997 edition Book was perfect and like new- actually is new! Saved a bundle over purchasing at a pricey Annie Sloan "stockist". Just what I needed to add some special designer touches to my

ASCP projects. Glad I ordered it.

Annie Sloan's books (I purchased 6) are all beautifully illustrated and have very clear concise directions for an amateur do-it-yourselfer. I loved every single one of these books and the projects I've done through the use of these books have come out very well. I am very pleased and highly recommend them. These books are for beginners as well as experienced DIYers.

RECEIVED MY ORDER SURPRISED ON EXPERT SHIPPING. WAS LIKE BEFORE I REALIZED IT COULD HAVE EVEN BEEN IN THE BEGINNING OF THE PROCESS IT WAS AT MY DOOR. UNBELIEVABLE IT TRAVELED SO QUICKLY WITH REGULAR MAIL DELIVERY I CHOOSE. OVER ALL IN THE PRODUCT QUALITY FOR ITS CARE AND CONDITION AND SALES TRANSACTION I AM VERY SATISFIED. WOULD HIGHLY RECOMMEND. THANKS FOR A GREAT DAY. MS.MUD

I am enjoying the whole process of using Annie Sloan chalk paint. Adding stencils is part of the icing. I would recommend this book.

Very detailed instructionsâ I loved it. Not all were my style, but has inspiration galore.
