Sew Your Own Pet Pillows: Twelve Huggable Friends You Can Easily Make (Design Originals)

Synopsis

Pillows are one of the easiest items to sew, and one of the most affordable ways to add a splash of color and personality to a room. With twelve cute and cuddly animal pillows to make, and easy-to-follow, step-by-step instructions, seamstresses of all skill levels will enjoy making them. It is so easy to create these adorable pet pillows - all that's needed is a sewing machine, some inexpensive fabric, and a few basic sewing tools. The hardest part will be deciding which pillow to make first!

Customer Reviews

There were a few cute pillow ideas and plans for them, the only bad thing is that it doesn't have that many ideas so you're paying \$8 for only four patterns. But I am extremely happy to have this book, it allows me to know just how to make those adorable pillows!

Inside its material, this item calls itself a "booklet." I only wish the description had too! The "book" is 20 pages long, 10 of them being filled with only patterns. There are four projects total. For its price, I

was expecting more pages with instruction and/or pictures, and less of patterns. Somewhat disappointed with this purchase for the way the description led me to believe it was thicker. It isn't even the thickness of a thin magazine. The only upside to this item is the quality and style of the projects detailed.

Didn't realize how few pages were in this, but it'll be a good gift for a kid learning to sew. It's not specific how to sew the neat edging on the applique features, which will have an impact on how well a kid could get their project to look as nice as the picture. So direction outside of the book will be needed.

Super cute projects, easy to make. Only a booklet, though, and only 3 (or 4, the book isn't with me) styles but each style has a few versions. These are not full size patterns, so you do have to enlarge them to make the full size finished product.

Cute! Great for ages 10-14-ish. The directions could be a bit clearer but projects are cute and simple enough to complete.

Purchased this to go with daughters first sewing machine. I have not sewed anything yet...but the projects seem easy enough. Excited to make some pet pillows!
