Customer Reviews

Honestly, I was intrigued by what are commonly eaten in Ireland as I have an Irish friend. This cookbook helped me familiarize what kind of food I will like if I visit Ireland someday. So far after trying some of these recipes, I have enjoyed some recipes such as Butter Potatoes and Mushroom Beef Pot Pie which I like very much.

I liked the Irish meals. I tried almost all of the ones with beef in it. Two thumbs up! But where are the Scottish recipes? Or did I try them unknowingly? I actually hoped for a bit more. I would have bought it myself but I shared with a friend who got the book for free instead,.

I never ordered or received this item
