Irish Puddings, Tarts, Crumbles, And Fools: 80 Glorious Desserts

Synopsis

Everybody loves a foolâ ”especially made fluffy with ripe strawberries or tangy apple. From the author of *The New Irish Table* comes this celebration of the Emerald Isle's classic desserts. From lemony puddings and marmalade-slathered scones to fruit-filled tarts and berry-laden crumbles, these contemporary renditions of the traditional desserts of Ireland make perfect use of common staples such as oatmeal, fruit, dairy products, and, of course, whiskey. Steel-Cut Oat Pudding is enhanced with orange zest, nutmeg, and plump golden raisins. A chocolate, walnut, and caramel tart becomes a treat for grownups with a splash of the hard stuff. A final chapter offers the most memorable of holiday delectables including mincemeat tarts, Christmas pudding, and a really good fruitcake. A glossary and source list define and locate unusual ingredients. With gorgeous painterly photographs depicting the food and countryside, this wonderful cookbook serves as a sweet reminder of the people and cuisine of Ireland.

`The New Irish Table' and `Irish Puddings, Tarts, Crumbles, and Fools' by Irish-American culinary

journalist, Margaret M. Johnson who seems to provide low end books covering Irish culinary practice, beginning with her 'The Irish Heritage Cookbook', also from Chronicle Books. The middle ground, being the 'Julia Child' for Irish cooking is Darina Allen, along with husband, Tim Allen and mother in law, Myrtle Allen, all of the Cork culinary powerhouse, Ballymaloe House and Cooking School. The high end of modern Irish cooking is held by Irish-American culinary academician and chef, Noel C. Cullen. The ethnographic corner of Irish / Celtic foodways is filled out by 'Celtic Folklore Cooking' by culinary writer and folklorist, JoAnne Asala of Chicago. There are many more Irish cookbooks to cover between now and St. Patrick's Day, but this pretty much covers most major points on the culinary compass for Irish cooking. 'The New Irish Table' and Cullen's 'Elegant Irish Cooking' complement one another pretty well, as they both present recipes from modern Irish hospitality centers. The difference is that where Johnson is covering pubs and 'bed and breakfast' style eateries, Cullen is covering dishes from Michelin one and two star restaurants in Ireland, as well as many of his own creations as a working chef, before he took up teaching at Boston University. Between these two featured books, Johnson's Desserts book is a much more valuable addition to your cookbook collection, as it includes a lot of fancy and holiday desserts which I have not seen in any other good book on Irish cooking. The best thing about this book and its companion is that like a lot of Chronicle Books, it seems to be on a fast track to the Bargain Book table, both real and on-line.
