Month To Month Gardening Utah: Tips For Designing, Growing And Maintaining Your Utah Garden

Synopsis

Basic gardening book with monthly tips specifically for the Utah climate. It also includes how-to information, designs for Utah landscapes, and best and worst Utah plant lists. This 4 color book covers everything from annuals to perennials to roses to vegetables to herbs to lawns to trees and shrubs. Readers will also find space to make journal entries about their own gardens. How-to section includes information about Utah watering, weeds, insects, harvesting, fertilizing and more. Included in the design section are a patio garden, container gardens, wildlife gardens, kitchen garden, border flower garden, mountain garden and more. See the best and worst Utah plant lists for groundcovers, roses, low-water plants, trees and shrubs and more. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

I bought this book for my daughter who just bought a house. The previous owner passed along all her gardening books, and my daughter said this was the most useful. I read it, too, and really liked the timelines showing what to do in the garden and when. Great for the new gardener, and a good tool for the experienced gardener.
