Product Dimensions: 6.6 x 1.4 x 9.2 inches

Shipping Weight: 2.8 pounds

Average Customer Review: 4.4 out of 5 starsÂ Â See all reviewsÂ (69 customer reviews)

Best Sellers Rank: #1,637,210 in Books (See Top 100 in Books) #718 inÂ Books > Comics & Graphic Novels > History & Price Guides #1700 inÂ Books > Crafts, Hobbies & Home > Antiques & Collectibles > Antiques Care & Reference > Reference #3587 inÂ Books > Reference > Encyclopedias & Subject Guides > Antiques & Collectibles

Customer Reviews

The Overstreet Comic Book Price Guide is always special and worth owning no matter what year it is. However, with the economy taking a turn for the worse last October, I felt that this years (and most likely next years) edition would be especially invaluable. While comics themselves may let you down from time to time, the Overstreet Guide never fails to deliver. The ads in the Guide are also interesting. You can find just about anything related to the hobby of comic collecting in here. Whether you're looking for long boxes, original art, buying or selling, CGC information, Pedigree comics, the ads in the Guide offer just about anything and everything you need and are just fun to look at. It is the final word on rarity, grading and value. It's an excellent way to cross reference

character appearances, and to find key issues to own. It tells which characters debuted in which issues and titles as well as who did the art on the covers and the interiors of that issue. It contains a guide to grading that is helpful to those new to the hobby as well as to those that have been collecting all their lives. It has a section on top sales for comic books for the year and what they sold for. I found this year's Overstreet Market Report to be particularly interesting as it goes into how the industry was affected by the collapsing economy. I'm sure next year's edition will have even more interesting things to say about what effect the current economic situation will have on the comic book industry. The Market Report also has great insights on how things like Ebay, and internet sales have on the industry, on comic book stores and how sellers deal with back stock. I found this year's Market Report very informative and entertaining to read.
