Customer Reviews

My wife passed away two years ago and It's time for me to wake up. I enjoyed reading this book. I

want to clean up this disaster.I had never thought to make a plan of action.I want to thank the author for these books. I never realized how women keep their homes so cleanand organized. Now I know.Thanks for sharing this.Mike

Home Organization is not my strong suit, and neither is simplification. I can do it at work, but home is a disaster.These books are helping me do better. Lots of suggestions and methods which make it all manageable.

Great practical tips on on organizing as well as cleaning. This writer obviously knows her stuff and has helped me save some time as well as step in my cleaning routine. Any other books she writes, I would buy!

Had good information ,but, way too many misspelled words.I get very distracted by a lot of wrong words and sentences. I guess they used an auto spell program. The word guess--- instead of guest 10 times at least!Glad I didn't have to pay for this set.Again ,it's a shame it was not more enjoyable to read. It did have usefully tips.

This was a great purchase. It makes so much sense and has helped me greatly to get my home truly clean without being half dead when I finish. I'm 68 years old and need all the house cleaning help I can get. Thank you Marcia Savage (and your mother) for a clearly written, easy to use guide to getting my house clean and keeping it clean!

Not that helpful there was another book I read from THAT I CHECKED OUT THAT WAS MUCH BETTER WITH CHECKLISTS AND I CAN'T FIND IT IN MY LISTING SO I WILL HAVE TO LOOK FOR IT AGAIN. Sorry for the caps.

I was very disappointed. I thought I was getting 2 different books. Instead, I read the same thing over 3 times. Since each book had a different title, I expected them to be different. I can understand some of the information would be the same, but the wording and everything was exact.

Great writer. Makes it almost sound enjoyable to clean. Her suggestions work. Saved me hours of unnecessary housework.
