## Customer Reviews

The pictures in this calendar are beautiful. Whenever I stop to take another quick look, it's like a 30 second vacation. And, of course, the calendar portion is adequate, but I bought it for the pictures.

Beautiful calendar! Really focuses on the flowers, and not the scenery surrounding the flowers which I believe the cover photo kind of leads you to believe that it will. Really nice photography.

The photography is wonderful in this one. Will brighten up a wall and bring some joy especially during the dreary winter months. You won't be disappointed.
