Gallantry Medals & Decorations Of The World (Leo Cooper/Pen & Sword Books' Collectors Series)

Synopsis

This book is acknowledged as the only work dealing exclusively with the identification and description of international gallantry awards, past and present. The multitude of illustrations allows the reader to readily identify those awards most likely to be encountered. The work embraces forty-three countries and describes 270 decorations together with their various classes. A ten page ribbon chart shows 216 different world gallantry ribbons all in full colour.

Customer Reviews

Very detailed, and well written with strong historical analysis. The portraits of individuals as examples of how awards are rewarded is excellent and can help both the general public and collector have a better understanding of the honor.
