Reading The Book: Making The Bible A Timeless Text

Synopsis

For many people the Bible is a dusty old book with little relevance to their lives. But for Vistozky the Bible is a living entity that can offer endless insights for its readers if they enter into dialogue with it in the manner of the ancient rabbis, whose midrash, or commentary, has accompanied it almost from its beginning. Focusing on themes in key biblical texts - good and evil, sexuality, parent-child relations, sibling rivalry, faith, and creation - Reading the Book demonstrates the ingenuity and richness of this traditional Jewish approach. It then shows how readers of any religion can create their own midrashim and develop living relationships with the text.

Book Information

Paperback: 256 pages

Publisher: The Jewish Publication Society; 1 edition (January 1, 2005)

Language: English

ISBN-10: 0827607865

ISBN-13: 978-0827607866

Customer Reviews

This is one of the best books on The Bible that I've ever read. It is thought-provoking, insightful, and wonderfully human and humorous. I read it after seeing the author on Bill Moyer's Genesis series. This book is not just for Jewish readers; I think anyone who enjoys reading and thinking will find it delightful. It will spur even skeptics like me to a reading and appreciation of the ancient writings in The Bible.

This book is a great help for one interested in learning about biblical exegesis. No teacher should be without it.
