Butterfly Messengers: True Stories Of Comfort And Hope

Synopsis

Butterfly Messengers is a collection of personal stories from people who have had special encounters with butterflies, stories that involve a beautiful butterfly and the passing of a loved one. After hearing so many people describe their encounters with "spiritual" butterflies, Lloyd Hollett, owner of the world-renowned Newfoundland Insectarium, decided to put the stories together in a compilation. This book is the result of his efforts. It is a collection of stories from people throughout Canada and the United States, with the majority coming from Newfoundland and Labrador.
