Customer Reviews

Carmen Reeves does it again with another great holistic health-related book! I never knew there were so many great benefits and uses for Epsom salts. I use Epsom salts myself after long walks to soothe my feet, but Carmen has created several great recipes for Epsom Salt usage, not only for the body, but also for use all around the home and beyond! You'll be pleased with all the information in this ebook. Who knew such an inexpensive product could offer so many benefits! I even learned the history behind Epsom salts!

Wow, this book was surprisingly interesting, It's well written and has a great tone to it. I've liked many of Carmen's books for those same qualities. I had no idea that you could use epsom salts to extend the growing season of some of your garden plants or use to help with stump removal!

This is a great book. Don't let the fact that it's a short easy read fool you. It's full of great information.! The uses for Epsom salt are numerous ! I had no.idea it could be used to gargle with to treat a sore throat, or you could use it for cleaning your home,treat a bee sting or use it in your garden.I love that it can be used for so many different things. Making non toxic beauty products is something I never would have imagined you could do with Epsom salts. But you can,and I will ! This book is a must have !

Thank you so much - I know how important magnesium is however I had no idea about how valuable this humble salt was!! am looking forward to making some pink scented bath salts as gifts for friends. Love that recipe. Thanks again for sharing this information.

This book is just full of ways to use Epsom salt! I never in my wildest dream would have thought to use Epsom salt to fertilize my plants! Works great! I am also using it to help with arthritis in my shoulder!! It's amazing and it beats buying an expensive chemical to rub into my shoulder. And there are many many more uses for Epson salt and you can't beat the price!!

This book has lots of good info and is written in a clear understandable manner. I was new to the subject, but went out at once and got some Epsom salts. I used a recipe in the book to prevent the

pain from a problem tooth and it worked perfectly. Plan to try other uses also.

I never knew Epsom Salt was used for so many things. I am impressed and will definitely try some of these remedies. Cleaning furniture or drape stains sounds like all one needs is Epsom Salts. Will tackle that first thing in the morning, plus review the first aid remedies. So happy I got this book as I did not believe I needed it. I use the salt a lot and now will use it more.

Wow, this book was surprisingly interesting, It's well written and has a great tone to it. I've liked many of Carmen's books for those same qualities. I had no idea that you could use epsom salts to extend the growing season of some of your garden plants or use to help with stump removal!
