Customer Reviews

...Aside from being all color and very beautiful to look at, it allows collectors to get estimates for items they couldn't find anywhere else. Just because certain items have been produced in the past 30 years, it doesn't mean that some of them are not extremely collectible, as Summers demonstrates. I believe that any serious Coca-Cola collector needs to add this book to their library to be able to round out their references....-John P. Williams

B.J. Summers has been a collector all his life. In early childhood he was fascinated with collecting

Boy Scout patches and building models. Later as a telephone linesman, collecting telephone insulators and advertising seemed natural. Since 1994 B.J. Summers has been a proven authority on advertising collectibles, gas station memorabilia, and of course, Coca-Cola. And he continues to produce value guides sought after by advanced and beginning collectors alike.
