Okay, who doesn't care about what they eat? Who doesn't want flavorful meals? Who doesn't want the same old boring thing day after day? Well, everyone I know loves the meals I make with George Geary's 350 Best Salads & Dressings. Why? Because he offers a huge selection recipes including everything from light, refreshing combinations to serve on a hot summer day through to body-warming salads that take the chill off cooler autumn days and old man winter. This book offers salads as meals unto themselves, as side dishes, and for special occasions. The author also includes a detailed list of oils, vinegars, spices and herbs that are useful in creating the perfect and

freshest salad dressing. Every recipe turns out incredibly well and nothing beats eating locally.

If you're looking for ways to creat new salads, this is the book! Think outside the box and let your imagination be your guide ...don't be afraid to mix ingredients you never thought you would put together! Surprise yourself and be proud of what you create!

Stumped for the perfect salad recipe? Bored with the same old garden, Caesar, and Greek salads? I was too. Then I found this incredible book by George Geary and my salad making days have changed forever! I love the fact that you can make dressings to match the salads in the book - each one unique in its own way. There are over 200 recipes for salads, over 150 recipes for dressings, and also included are lists of oils, vinegars, spices and herbs that go perfectly in dressings. My favorites this year are the Asparagus and Bacon Salad, Roasted Vegetable Pasta Salad, and the Potato Radish Salad. You'll find something for everyone in this terrific book! It's great for summer get-togethers (I bring it as a hostess gift every time).
